TEE-UU holsters and bags offer a wide range of wearing options. Please note that permanent connection of any TEE-UU product with a product that is not part of TEE-UU product range may have significant influence to approval of this product. Take note of manufacturer's information or manual of this product.

Las bolsas y fundas TEE-UU ofrecen múltiples opciones de portabilidad. Tenga en cuenta que al combinar un producto TEE-UU con otro que no forme parte de la gama de productos TEE-UU, el funcionamiento puede no ser el deseado. Tenga siempre en cuenta la información del fabricante y el manual de estos productos.

Les étuis et sacs de TEE-UU offrent un large éventail de possibilités et de portabilités. La plupart des produits de TEE-UU peuvent s'adapter avec des produits qui ne font pas partie de la gamme des produits de TEE-UU. Veuillez prendre en compte les indications du fabricant et lire attentivement le manuel d'utilisation du produit en question.

Fondine e borse TEE-UU offrono una varietà di opzioni di trasporto, e qualsiasi collegamento stabile con un prodotto non-TEE-UU potrebbe influire sulla sua approvazione, quindi fare riferimento alle specifiche del produttore.

 **TEE-UU – development and production by professionals for professionals!**

Since 2004 we develop and manufacture products for use at emergency service, fire service and further more. The practice-oriented products are developed in Germany by experienced firemen, doctors and paramedics. Up to now TEE-UU products are well known for high quality and functionality, and are established in about 25 countries around the world.

 **TEE-UU - Productos desarrollados por y para el profesional**

Desde 2004 desarrollamos y fabricamos productos vinculados al sector de la emergencia y servicios de bomberos, entre otros. Todos nuestros productos son desarrollados en Alemania por bomberos experimentados, médicos y paramédicos. Hasta ahora, los productos de TEE-UU son reconocidos por su alta calidad y funcionalidad y se comercializan en aproximadamente 25 países de todo el mundo.

 **TEE-UU - Des produits développés par et pour des professionnels**

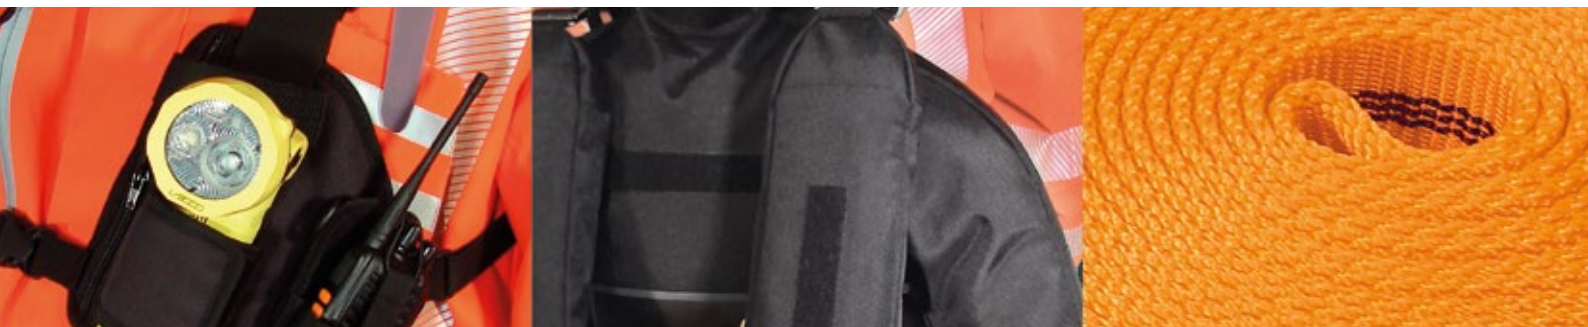

Depuis 2004 nous développons des produits spécialisés dans la médecine d'urgence, pour les services de pompiers et autres organisations. Nous développons nos produits en étroite collaboration avec une équipe d'experts; de pompiers, de médecins et d'infirmiers spécialisés dans les urgences en Allemagne.

 **TEE-UU sviluppato e prodotto da esperti per esperti!**

Dal 2004 sviluppiamo e produciamo prodotti per il servizio di ambulanza, vigili del fuoco e una varietà di altre organizzazioni umanitarie. Sviluppiamo i nostri prodotti pratici in Germania con un team di esperti vigili del fuoco, medici e personale medico di emergenza. I prodotti di TEE-UU sono noti per la loro alta qualità e funzionalità e sono già presenti in oltre 25 paesi.
